

## Earl Sturm Honored by Family

July 13, 2016

In honor of longtime resident Earl Sturm, and in recognition of his great love of baseball and softball, Earl's family donated memorial funds to the Boulder Junction Community Foundation to be designated for improvements to Boulder Junction's Community Sports & Recreation area located off Highway M South. On Saturday, June 18, a dedication ceremony took place at the ball park facilitated by Town Park Board Supervisor Dennis Duke and Community Foundation President Barbara Boston. The foundation had received \$20,000 from the family designated for improvement of, and benefit to, the Baseball Field located at the Boulder Junction ball park. Additional checks were received by the Foundation at the ceremony representing money donated by Earl's grandchildren for further improvements to the field.
